

# Hi! We're Awl Together Leather.

Here's how we can help:

<u>"While You Wait" services (for free!)</u>	<u>Return-Mail Services (at cost)!</u>
<ul style="list-style-type: none"> <li>- Replacing missing or broken Hardware               <ul style="list-style-type: none"> <li>o Rivets, snaps, Chicago screws, button studs, zipper sliders etc</li> </ul> </li> <li>- Simple re-stitching on:               <ul style="list-style-type: none"> <li>o Bags</li> <li>o Jackets</li> <li>o Boots and Shoes</li> <li>o Sports Equipment</li> <li>o Heavy fabrics (denim, canvas, etc.)</li> </ul> </li> <li>- Small re-glueing jobs on leather and rubber</li> <li>- Hole patching on torn or cracked leather</li> <li>- Conditionings and cleanings</li> <li>- DIY advice! We've fixed thousands of items, so feel free to come pick our brains.</li> </ul>	<ul style="list-style-type: none"> <li>- Full cobbling services:               <ul style="list-style-type: none"> <li>o New Heels, Halfsoles and Fullsoles</li> <li>o Redyeing, polishes, cleaning and conditioning</li> <li>o Sewing of all types (seams, velcro, elastics, zippers, etc)</li> <li>o Stretching</li> <li>o Blundstones to Birkenstocks, we do it all!</li> </ul> </li> <li>- Leather Alterations and Repairs:               <ul style="list-style-type: none"> <li>o Re-lining jackets and bags</li> <li>o Sleeve shortenings, tapering, expansions, hemming (anything a regular clothing tailor can do – but for leather/heavyweight!)</li> <li>o Motorcycle Gear (patches, repairs, etc)</li> <li>o Full zipper replacements</li> </ul> </li> </ul>
<p>Please note that we will be bringing up a limited supply of leather, hardware and tools. We may not have a perfect match for every scenario.</p>	<p>Repairs that cannot be completed in Whitehorse will be brought back to our Vancouver studio for completion. These repairs are done at full cost, with return shipping, on a 4-6 week turnaround time.</p>

**We work on lots of things that aren't listed here, so if you don't see your item listed – fear not, bring it by anyway!**
